

30 W column loudspeaker EN 54

Part-No.: 582452

This TS-C 30-700/T-EN 54 column loudspeaker stands out with its good voice reproduction and its excellent sound pressure. With its sleek design it fits inconspicuously into its respective surrounding structures. Due to its directional dispersion pattern, this column loudspeaker certified according to EN 54 Part 24 is specifically suited for the acoustic irradiation of particularly reverberant spaces that are acoustically difficult to fill with sound, such as auditoriums, conference rooms, etc.
